## **Mike Schneider has a strong record of fighting for our kids.**

As a leader in the state Assembly and Senate, Mike supported empowerment schools where parents, teachers, and principals decide school-by-school what is best for students. He was also a strong advocate for more effective teacher recruitment, increased training, and performance pay for top teachers.

## **Mike Schneider knows we must improve our schools.**

In the state Assembly and Senate, Mike led the fight to protect our schools from devastating cuts. Mike voted to keep as much money as possible in our schools, and increased standards and accountability for education funding.

Every time Mike Schneider casts a vote, he asks himself if it's the best thing for our families. We need Mike Schneider on the Clark County Commission.
