

non-stop to provide the best in public schools.

- >> Education: We won landmark school reforms by ending teacher tenure and expanding charter schools.
- >> Belt tightening: We made tough choices to have government live within its means by eliminating 600 government positions, consolidating dozens of state agencies, and cutting \$500 million from the state's budget.

>> Cutting Red Tape: We have repealed or modified over a thousand state regulations that harmed businesses and job creators.

These are the common sense conservative reforms that we've achieved in this first term without having to surrender our principles. With your help today, our second term will build on these successes and continue the work of growing Nevada out of this recession, improving our educational system, and defending everyone's constitutional freedoms.

Until every Nevadan who seeks the dignity of an honest day's work is back on the job, we must keep working to bring new jobs to Nevada and stop those we have from hitting the road for other states.

At the end of the day, Nevada is my home too and, with more work to be done, Kathleen, the kids and I are committed to campaigning across the state and taking **NOTHING** for granted as we earn this new opportunity vote by vote. Please know we all hope to see you soon and I look forward to hearing your thoughts and sharing mine as well.

Thank you for taking the time to let me share my optimistic vision for better days and prosperity with you, and thank you in advance for helping me break ground on our re-election campaign by making a **Kick-Off Gift** of \$50, \$100, \$150, \$200, \$250 or even more to **Sandoval for**

(over, please. . .)
