A Good Education Means Don't Let Becky

Good Jobs For Nevada's Children. Harris And Her Voucher Scheme Erase Our Student's Future.

Our community deserves leaders who will invest in public schools and help students get the skills they need to succeed.

We don't need Becky Harris and her voucher scheme.

Outside special interests are working to **privatize Nevada's public schools.**

Vouchers are the first step on the slippery slope to privatization.

Becky Harris' voucher scheme could lead to larger class sizes and overworked teachers, without the adequate supplies and facilities to prepare our kids for the future.
